Scheduling Fingerprints (for background search):
During the Corona virus shutdown, you won't be able to schedule fingerprinting appointments. But, start now anyway, to get paperwork rolling.

Processing Fees: None of which are charged by Long Shot
(a) $5 for FID card and $2 per pistol purchasing permit.
These are paid directly to your local PD upon pickup.
(b) $20 for form 212A (request for criminal history record information)
(c) $60 for digital fingerprint scan.
(d) $0 No purchasing permit required for long guns (rifle or shotguns)
(e) $15 each time you purchase / take firearm possession from FFL

How often can I buy firearms?
Pistols: 30 calendar days must pass between pistol purchases.
31st day. Not 30th day.

Long guns: You can purchase every day. Without restriction.

Note that only one NICS is required per store transaction. You can buy multiple firearms at a time, with only one NICS charge.

What about ammo purchases?:
When purchasing ammo, you must have an NJFID.

Out of state customers may not purchase ammo other than for use in our range.

Under no circumstances may out of state customers purchasing range ammo leave the premises with any spare ammo.
